TD Bank, America's Most Convenient Bank, is a member of TD Bank Group and a subsidiary of The Toronto-Dominion Bank of Toronto, Canada, a top 10 financial services company in North America. The Toronto-Dominion Bank trades on the New York and Toronto stock exchanges under the ticker symbol "TD". To learn more, visit www.td.com.
Job Description Overview: TD Securities provides a wide range of capital market products and services to corporate, government and institutional clients. The firm works with clients around the world, focusing selectively and strategically on the key financial centers: Toronto, Montreal, Calgary, Vancouver, New York, London, Singapore and Tokyo. At TD Securities, the Global Counterparty Credit function is involved with the origination process for trading and credit analysis and recommendation for the credit/derivative facilities. Global Counterparty Credit enables the various trading desks to transact with counterparties. The group also performs ad hoc reporting and monitoring of the credit risk profile of TD Securities' clients that are users of a wide variety of capital market trading products. TD Securities offers its U.S. based employees the advantage of working in a highly focused operation, while being part of a major global investment dealer. Confidence in our U.S. operations systems stems from the recognition of our in-depth industry knowledge and from our outstanding credit, structuring, research and distribution capabilities. At TD Securities, you will learn the financing business and gain a competitive advantage of your own. You will be exposed to a wide variety of clients, industries, financing structures and products. You will also work in a team environment, honing the analysis skills and experience necessary to be successful in the industry.

POSITION:

Global Counterparty Credit – Summer Analyst In this capacity you will: Assist in the origination and recommendation of high quality credit transactions relating to small business and commercial banking. Conduct accurate market entry and credit analysis. Write clearly articulated recommendations on credit decisions that are appropriate for the client.
